Biography:

Dr. Charles Smith supervises the development of curriculum, training, publications, assessment tools, and research related to the youth-level participatory learning approach. Previously Dr. Smith was a research associate at High/Scope where his primary focus was on organizational learning and assessment related to instructional practices. His policy interests include youth development, civic education, early childhood education, and the history of adult education systems. Dr. Smith's current research includes observational assessment methodology and modeling experience-outcome relationships.

Dr. Smith holds a B.A. in history, an M.A. in American politics, and a Ph.D. in public policy from Wayne State University. His content knowledge includes youth policy, experiential learning, civic education, the history of adult education policy, and early childhood education policy. During his decade at Wayne State, Dr. Smith helped to develop and implement the Youth Urban Agenda Civic Literacy Project.
